### Thank you for your interest in the Academic Program!

We are committed to preparing students for their future career in optics, and enabling educators to teach with the software that the world's best optical design teams use.

Our team will process your request, and then you'll receive an email with instructions to activate your license and access resources on the MyZemax portal.

# 5.) Nach ein paar Stunden erhalten Sie ein E-Mail mit folgendem Inhalt (License Number und Activation Code):

Your OpticStudio Activation Code | Zemax:00062430

Zemax

Welcome to the Zemax Global Academic Program!

Dear Tobias,

Your application has been approved and we are delighted to have you join the Zemax Global Academic Program.

Your license information is below:

- License Number: L115682
- Product: Premium Subscription SUL 1 YR
- License activation code: ZU-59ad01a5-cce0-4042-9bab-6c60f1425fcf
- License Expiration: Wednesday, January 5, 2022

#### 3 Easy Steps to Get Started

Step 1: Complete your MyZemax account, <u>click here</u> and reset your password. Setting up your account is required before you can activate and download your Zem <u>MyZemax.com</u>, clicking sign-in, then choosing reset password.

Step 2: Download and Install your OpticStudio single user license software. Click here for installation guide.

Step 3: You will need to enter your license information in the Zemax License Manager to activate the license on the machine where OpticStudio is installed.

The Academic Program pages on MyZemax.com gives you access to online technical resources:

## 6.) Führen Sie zuerst Step 1 aus und vervollständigen Sie Ihre Account Settings (Passwort ändern)

- 7.) Clicken Sie auf den «Download» Link im Mail
- 8.) Dann «Sign In» mit den Account Daten
