

## RuckZuck-Installation

---

The RuckZuck software is free for all employees and students. For a correct installation, you have to follow the following steps strictly.

1. Download the necessary files in the download section on the intranet (<https://my.fhgr.ch/index.php?id=download&L=1>) of the University of Applied Sciences of the Grisons.
  - a. RZ60026StudSetup.zip
